

Hello Friends of WCCF,

## **After months of searching and more than our share of ups and downs, the Foundation has found a new home.**

Over this past weekend, the WCCF board approved a lease for space at the **Tower Heritage Center**, formerly known as the Washington County Historical Society. (You might know it as the stately building that overlooks our city and is often pictured as the symbol of West Bend)

Our new address is **320 S Fifth Avenue Rooms 101 and 102 West Bend, WI 53095**. We will be fully moved in by the end of business on Friday June 14, 2024.

This new relationship holds great promise for both organizations. Two nonprofits working side by side to make Washington County a better place for our community.

---

We are sending this newsflash because we want our donors and volunteers to be aware of this advantageous change as soon as possible. A more complete

newsletter will follow soon.

P.S. If you aren't already aware of it, the Washington County **Campus** Foundation is now known as the Washington County **Charitable** Foundation. The foundation still uses the initials WCCF, but since there is no longer a Washington County campus, we changed our name to more accurately reflect our work going forward.

Kindly,

A handwritten signature in black ink that reads "Paul DeChant".

Board President

WCCF | 400 S. University Dr., Rm. 105 | West Bend, WI 53095 US
