In your original grant request, you were asked to provide a brief summary of the organization's mission, goals, history, programs, and major accomplishments, success stories and qualifications. Please indicate how you were able to further your organizational goals with this grant (300 word limit)

In your original grant request, you were asked to provide a brief description of your proposed activity and how it will improve the quality of life for Washington County residents. Please indicate if you were able to achieve this, any measurable results that can be reported and anything that was learned about the project that you can use to help you achieve this in the future. Conversely, if you were not able to improve the quality of life for Washington County residents with this grant, please indicate that and what obstacles may have prevented you from doing so. There are no wrong answers (750 words max)

Provide a final budget showing expenses for the activity, and other sources of income (beside this requested grant)
